Take note of the class/grade level affected by these events. This calendar is a quick-reference guide for our events grades 6-8. Items that have an X in the box are REQUIRED and/or are a curricular event, meaning attendance is obligatory.

Some of these scheduled events will not be finalized until the dates loom closer. Firmer details will be provided when information is available. Some events are subject to change, depending on host location or other factors that cannot be determined ahead of time. Parents and students will be notified of changes as bulletins warrant.

Additional activities are often included throughout the year, typically being local performance, guest performances we are invited to attend, and other social events.

When the teacher has knowledge of these invitations and additions, parents and students will be notified. If you anticipate an absence for a required event (due to something like a family wedding, planned out of town travel, etc.) please contact Mrs. Fox-Wells well in advance so she can ensure ensemble cohesion in the months leading up to the performance.

****Conditions for the end of year trip: no time spent in ISS for the year, currently passing all classes, behavior marks S or E for orchestra for the first three quarters.**
